### IFB #2928 Brush Grinding for York County Solid Waste

THE FOLLOWING INFORMATION SHALL BE INCORPORATED AS PART OF THE ABOVE MENTIONED SOLICITATION; ALL OTHER TERMS AND CONDITIONS SHALL REMAIN THE SAME.

#### Change 2: Addition of Grinding Periods.

**Reference:** Solicitation Document 1.3 Scope of Work

**Add:**

m. It is the intent of York County to contract with one contractor to process all of the wood waste materials currently onsite during the **first** and **second grinding periods** listed herein.

**First grinding period:** The successful contractor must be able to begin the first 30 day grinding period on **first Monday of December** for each year of the contract, and must be able to complete the first period of chipping, removal, and site restoration within 30 days from the start of the first period chipping.

**Second grinding period:** The successful contractor must be able to begin the second 30 day grinding period on the **first Monday of May** for each year of the contract and must be able to complete the second period of chipping, removal, and site restoration within 30 days from the start of the second period chipping.

Prices quoted shall be valid for the duration of the job completion. It is requested that the successful contractor be in contact with the Solid Waste Disposal (SWD) Supervisor to prepare for each grinding period. Start dates can be adjusted based on weather condition. Inclement weather start date adjustments must be done in writing between the contractor and the SWD Supervisor.
